Thank you Ann. It was good meeting you as well. I will see what I can do to get you a copy of the draft MBTA legislation and will start working up materials on both the Permitting Office concept and MBTA non-legislative options. Thank you again for your time and consideration.

Rick and Dan,

I hope your week is going well and you are starting to wrap things up for the long weekend. I wanted to see if we could set up some time in the next week or so to talk over the MBTA issues. Could you please let me know what your schedules look like for us to meet?

Thanks in advance.

Hi Ann,

I hope this finds you well. I just left you a voicemail on your office line and thought I'd follow-up with an email. It sounds like you are out of the office on vacation through August 7th and then I am on vacation that week, but when you get back in if you could shoot me an email with some dates and times later in the month that would work for you to meet up I'd greatly appreciate it. I'd like to continue our discussion on MBTA and some thoughts the Energy and Wildlife Action Coalition has on the subject.

I hope you have a great vacation and look forward to connecting when you return.

Dear Dan:

I hope you are doing well!

I actually have a reason to visit with you outside of a personal nature.

One of my partners, Mike Weaver, have been working on a **regulatory reform package regarding Section 10a Permits**. We would like to share this with you.

Mike lives in Austin. He will be in DC on **June 6-7**. Could you visit with us one of those days?

Please give me your thoughts.

Warmest Regards,

Travis

Not really. I view this as a courtesy meeting. I don't think they have a specific matter. Don't think it is worth both their time, but they both are welcome to attend.

Dear Dan:

I hope you are doing well!

I actually have a reason to visit with you outside of a personal nature.

One of my partners, Mike Weaver, have been working on a **regulatory reform package regarding Section 10a Permits**. We would like to share this with you.

Mike lives in Austin. He will be in DC on **June 6-7**. Could you visit with us one of those days?

Please give me your thoughts.

Warmest Regards,

Travis
